I've Never Done this Before!

Written by Bill Perkins

I've done a lot of things in my life but I've never done this before. After watching the History Channel's documentary *The Bible* I was deeply touched by their presentation of Jesus. While everything in every story wasn't exactly as written in the Bible, Jesus was presented accurately as the Son of Man and the Son of God. Instead of preaching, the documentary simply told the story pretty much as written. It was, in my opinion, the best presentation of Jesus I've ever seen.

A Give-Away

As I watched the show I wanted to do all I could to help as many people as possible experience the life and power of Christ. With that in mind I contacted Tyndale House Publishers and asked if they would be willing to give away copies of the Jesus Experiment. I was willing to wave all royalties and hoped they would be willing to wave all income from the sale of the book. A few days later I got word that from April 14-20 online book stores will be giving away Kindle versions of *the Jesus Experiment*.

My Favorite

If you've got a smart phone, computer or Kindle you can download the book at no charge. Of the 21 books I've written or collaborated on, this is my favorite. Living the experiment has changed my life and continues to do so. I hope you'll take advantage of this give-away and urge everyone you know to download a copy and live the experiment.

As more and more people align with the thoughts, feelings, words and deeds of Jesus the more his life and power will transform them. Jesus said, "The thief only comes to steal, kill, and destroy. I came that they may have life and may have it abundantly. “I’m the good shepherd. The good shepherd lays down His life for the sheep." (John 10:10). The purpose of *the Jesus Experiment* is to allow people to test the validity of that promise and discover for themselves if Jesus gives an overflowing and joyful life.

Please Pray

Please pray about this. Ask God to allow those who read the book to experience the life of Jesus as never before.

You can access the Kindle version of *the Jesus Experiment* here, and remember, it will be available for free from April 14-20.
